numeracy assessment.

Reach out to your child's teacher about your child's specific results.

## Elbow Valley Elementary

### 2024/25 School Education Plan At-A-Glance

## This Year We Worked On:

- Improving foundational literacy skills through responsive, data-driven teaching.
- Integrating cultural diversity, Indigenous perspectives, and environmental responsibility, we focused on developing global citizenship throughout the year.
- Increasing our school-wide teaching of school expectations.

## You Can Help By:

- Helping to make sure your child regularly attends school
- Support Daily Reading at home
- Engage in School Activities (Stay updated through the Owl Outlook and Classroom emails).
- Model and Support Positive Values

## Next Year You Can Look Forward To:

- Continue integrating high-impact literacy and numeracy practices that focus on foundational skills.
- Strengthening our structures and processes for targeted interventions related to positive behaviours.
- Embedding Indigenous ways of knowing and teaching while fostering cultural understanding and global citizenship.
